IF YOU DO NOT ACCEPT THIS EULA, YOU MAY NOT USE, ACCESS, DOWNLOAD OR INSTALL THE SOFTWARE.

IF YOU ARE ENTERING INTO THIS EULA ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT THAT YOU HAVE THE AUTHORITY TO BIND SUCH ENTITY AND ITS AFFILIATES TO THESE TERMS AND CONDITIONS. IF YOU DO NOT HAVE SUCH AUTHORITY OR IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS EULA, DO NOT INSTALL OR USE THE SOFTWARE.

1. **License.** Subject to the terms and conditions of this EULA, Digi grants you a nonexclusive and non-transferable right, without the right to sublicense, to install and use the Software with the Digi manufactured hardware that the Software is intended to operate with, for your internal use, on a single server under your control. No license is granted hereunder in or to any of the Software's proprietary source code. The License rights granted hereunder are the exclusive rights granted to you with respect to the Software. Without limiting the generality of the foregoing sentence, nothing in this Agreement grants you any rights or licenses to patents, copyrights, trade secrets, trademarks or any other intellectual property rights or other rights with respect to the Software.
2. **License Restrictions.** The license granted in this EULA is subject to the following restrictions unless such restrictions are prohibited by applicable law:
 - a. You will not sell, assign, sublicense, rent, lease, grant a security interest in, or otherwise transfer any right in the Software to a third party.
 - b. You will not edit, alter, modify, adapt, translate or otherwise change the whole or any part of the Software nor permit the whole or any part of the Software to be combined with or become incorporated in any other software, nor decompile, disassemble or reverse engineer the Software or otherwise attempt to derive the source code of the Software, incorporate the Software in whole or in part in any other software or product, or develop derivative works of the Software or allow others to do so, or attempt to do any such things.
 - c. You will not reproduce, copy, distribute, resell, or otherwise use the Software for any purpose.
 - d. You will not allow any third party to use the Software.
 - e. You will not use the Software in any way which breaches any applicable local, national, or international law.
 - f. You will not remove any proprietary notices or labels from the Software.
3. **Intellectual Property.** Digi or a third party licensor shall at all times retain ownership of the Software as originally downloaded by you and all subsequent downloads of the Software by you. The Software (and the copyright, and other intellectual property rights of whatever nature in the Software, including any modifications made thereto) are and shall remain the property of Digi or the third party licensor.

4. **Device Requirements; Data Privacy; Security.** You are solely responsible for: (i) ensuring your device meets the minimum requirements of the Software, including all updates thereto; (ii) maintaining the security of your device on which the Software is installed; (iii) all use of the Software, including without limitation, installation, deployment, and management of the Software; (iv) use of the Software (including any data collected, processed, stored, and maintained using the Software) in compliance with all applicable laws; (v) ensuring the security of all data collected, processed, stored, and maintained using the Software.

- a. For purposes of the EULA, "Confidential Information" shall mean all information marked as "Confidential" or "Proprietary" and disclosed by one party to the other in connection with the Software. It includes, but is not limited to trade secrets and business matters such as research and development plans, manufacturing processes, management systems and techniques, the identity and profiles of customers and suppliers, and sales and marketing plans and information. Confidential information does not lose its status as Confidential Information merely because it was known by a limited number of persons or entities or because it was not entirely originated by the disclosing party.
- b. Each party may receive Confidential Information from the other. Each Party will treat Confidential Information as confidential and protect it from disclosure as it would its own information of a similar nature. Neither party will disclose Confidential Information other than to those of its employees or agents who need to know such information for performance of the party's rights and obligations under the EULA. Neither party will use Confidential Information for any purpose beyond the exercise of its rights and performance of its obligations under the EULA without the prior written consent of the other party. All Confidential Information shall remain the property of the disclosing party, and each party will return or destroy any tangible materials containing such Confidential Information upon request of the other party.
- c. The obligations of confidentiality and protection imposed by this section shall not apply, or shall cease to apply, to any information that: (a) was lawfully known by the receiving party prior to its receipt hereunder; (b) is or becomes publicly available without breach of the EULA by the receiving party; (c) is lawfully received by the receiving party from a third party who does not have an obligation of confidentiality to the disclosing party; or (d) is developed independently by employees of the receiving party not having access to such Confidential Information.

6. **Term and Termination**

- a. Your License is contingent upon your payment in full of all applicable fees for the License and use of the Software to Digi or Digi's authorized distributor or reseller. To receive and/or activate your Software License Key, you must pay your License fees to Digi or such distributor or reseller.
- b. Each unique Software License key has an associated active term once installed, downloaded, or utilized (whichever is earliest, as applicable). This EULA is effective for the duration of the active term.
- c. Digi reserves the right to terminate this EULA and your right to use the Software in the event you breach a material obligation under this EULA. Upon any termination of this

EULA, the licenses granted by this EULA will immediately terminate and you shall stop all access and use of the Software.

10. **Governing Law.** This EULA, and any dispute arising out of or in connection with this EULA, shall be governed by and construed in accordance with the laws of the State of Minnesota.
11. **Export Restrictions.** You agree that you will not, in violation of any applicable laws or regulations of the United States or other jurisdiction, export or re-export the Software, any part thereof, or any process or service that is the direct product of, related to, or provided by Digi in connection with, the Software.
12. **Entire Agreement; Amendment.** This EULA constitutes the entire agreement between you and Digi with respect to the Software, and supersedes all other agreements or representations, whether written or oral. The terms of this EULA can only be modified by express written consent of both parties. If any part of this EULA is held to be unenforceable as written, it will be enforced to the maximum extent allowed by applicable law, and will not affect the enforceability of any other part.
